

THRIVE MISSION PROJECT

Our 2023 Thrive Missions projects! Our goal is to raise a total of \$10,000 this year. Individuals and Churches can send in your funds raised directly to the Network Office or bring your Thrive Missions funds to Thrive Connect in October!

1. Around the world, girls lack the ability and support to manage their menstrual cycles with dignity. WorldServe International is working to change this for women and girls in three ways:

- a. Equipping girls with a year's supply of biodegradable sanitary pads and quality undergarments.
- b. Educating girls about their bodies through health curriculum presented with compassion and grace.
- c. Employing women to earn a fair wage by working to sustainably produce sanitary pads for their local communities.

2. Provide Water Wells for villages in Tanzania through WorldServe, providing clean drinking water.

By producing and distributing our biodegradable Sifa sanitary towels
#WeAreCommitted to creating a world where everyone has access to menstrual products and #EndPeriodPoverty by 2030.

You can be a part of a HUGE blessing! Challenge your women in your church to raise money in unconventional ways!! Be creative and raise funds now until Thrive Connect and bring it with you!!

We would ask that you would come to Thrive Connect prepared to give sacrificially for our Missions project. Let's give as the widow gave her two mites, the best that she had to give before the Lord!

On Saturday morning at Thrive Connect, please bring your Thrive Missions Offering and place it in the offering.

2 Corinthians 9:8-13

God can pour on the blessings in astonishing ways so that you're ready for anything and

everything, more than just ready to do what needs to be done. As one psalmist puts it,

"He throws caution to the winds, giving to the needy in reckless abandon.

His right-living, right-giving ways never run out, never wear out."

This most generous God who gives seed to the farmer that becomes bread for your meals are more than extravagant with you. He gives you something you can then give away,

which grows into full-formed lives, robust in God, wealthy in every way, so that you can

be generous in every way, producing with us great praise to God.

Carrying out this social relief work involves far more than helping meet the bare needs of poor Christians. It also produces abundant and bountiful thanksgivings to God.

Looking forward to serving and giving with the women of Southern Idaho Ministry Network!

In His Service!
